1. MODEL OVERVIEW & AUSTRALIAN MARKET NOTES

The pioneer of the premium compact segment in Australia. Spanning four generations (8L, 8P, 8V,
and 8Y), the A3 introduced luxury hatchback packaging and quattro all-wheel drive, reaching hi
gh-performance zeniths with the S3 quattro and the spine-tingling 2.5-litre turbocharged inline
-5 Audi RS3 producing 294kW.

First sold in Australia in 1996 (8L). The first-generation S3 arrived in 2000, quickly winning
enthusiast admiration. The RS3 arrived in 2012 (8P Sportback) with Audi's iconic turbocharged f
ive-cylinder engine, whose heritage traces directly to the legendary Group B Audi quattro rally
cars. Australia remains one of the largest global markets for S3 and RS3 models per capita.
