Assembly Plants (AU):

1. MODEL OVERVIEW & AUSTRALIAN MARKET NOTES

The full evolution of Great Wall Motor in Australia: beginning with the pioneering 2009 Great W
all V240 and V200 utes, progressing to the top-selling GWM Cannon dual-cab, high-tech Haval H6
Hybrid SUV, and heavy-duty Tank 300 off-roader.

Great Wall Motors made history in 2009 as the first Chinese brand in Australia. In 2020, the br
and launched the GWM Cannon ute with 3-tonne towing, standard ZF 8-speed automatic, and full su
ite of ADAS safety, earning a five-star ANCAP rating and capturing major market share from Japa
nese rivals.
