Ldv T60 & eT60 (Australia) Specification & Service Reference - Page 1/2

AUSTRALIAN AUTOMOTIVE ARCHIVE - TECHNICAL & SPECIFICATION DOSSIER

Make: Ldv | Model: T60 & eT60 | Australian Market Years: 2017-Present
Vehicle Type: Dual-Cab Utility / Cab-Chassis | Segment: Light Commercial 1-Tonne Ute | Locally Built: No
Assembly Plants (AU):

1. MODEL OVERVIEW & AUSTRALIAN MARKET NOTES

The Chinese 1-tonne ute that disrupted the Australian market. Debuting in 2017 as the first Chi
nese-manufactured vehicle to achieve a 5-star ANCAP safety rating, the LDV T60 delivered unmatc
hed equipment-for-price value. The 2021 T60 Max raised the stakes with a class-leading 160kW/50
0Nm 2.0L Bi-Turbo diesel, while the 2022 eT60 became Australia's first commercially available e
lectric factory ute.

Distributed in Australia by Ateco Automotive since 2017. To tailor the ute for tough Australian
roads, LDV engaged Walkinshaw Automotive Group in Clayton, Victoria to calibrate a bespoke Aus
tralian suspension tune for the Trailrider edition. The T60 Max has become a volume rival to Hi
lux and Ranger across Australian trade and fleet buyers.

SERIES / GENERATION: SK8C Series I (LDV T60 Series I (Pro / Luxe / Trailrider)) [2017-2021]

Body Styles: Dual-cab utility, Cab-chassis | ANCAP: 5 stars
First Chinese vehicle to receive a 5-star ANCAP safety rating. 2.8L VM Motori turbo-diesel (110
kW/360Nm), 6-speed manual or Punch automatic, Eaton rear diff lock, and the Trailrider edition
featuring Walkinshaw-developed Australian suspension calibration.

Engines Offered in Australia:

- SC28R: 2.8L (2776cc) Inline-44 (Turbocharged, Diesel) | 110 kW / 360 Nm

Australian Badges / Trims:

- T60 Trailrider (Walkinshaw Tune): Drivetrain=4WD, Trans=6-speed manual, 6-speed automatic, AUD $38990

Factory Configurations:

* T60 Trailrider (Walkinshaw Tune) | Dual-cab utility | SC28R | 6-speed automatic | 4WD | 110kW/360Nm

SERIES / GENERATION: SK8C Series II (LDV T60 Max (Bi-Turbo)) [2021-Present]

Body Styles: Dual-cab utility, Megatub long-wheelbase utility | ANCAP: 5 stars
Major powertrain revolution: SAIC D20 2.0L Bi-Turbo diesel engine delivering 160kW and 500Nm, Z
F 8-speed automatic transmission, Pro and LUXE trims, and the stretched Megatub model with an 1
,800mm long cargo tray.

Engines Offered in Australia:

- SC20M163: 2.0L (1996cc) Inline-44 (Twin-Turbocharged, Diesel) | 160 kW / 500 Nm

Australian Badges / Trims:

- T60 Max LUXE / Megatub: Drivetrain=4WD, Trans=6-speed manual, 8-speed ZF automatic, AUD $41990-$49490

Factory Configurations:

* T60 Max LUXE / Megatub | Dual-cab utility | SC20M163 | 8-speed ZF automatic | 4WD | 160kW/500Nm

SERIES / GENERATION: eT60 (LDV eT60 Electric Dual-Cab) [2022-Present]

Body Styles: Dual-cab utility | ANCAP: Unrated (EV)
Australia's first commercially available factory electric ute. Powered by an 88.5kWh lithium ir
on phosphate (LFP) battery pack, rear-axle permanent magnet motor delivering 130kW and 310Nm, C
CS2 DC fast charging, and up to 330km WLTP range.

Ldv T60 & eT60 (Australia) Specification & Service Reference - Page 2/2

Engines Offered in Australia:

- TZ204XS: 0.0L (0cc) Electric0 (Naturally Aspirated, Electric) | 130 kW / 310 Nm

Australian Badges / Trims:

- eT60 Electric: Drivetrain=RWD, Trans=1-speed direct drive, AUD $92990-$95990, Fuel=0.0L/100km

Factory Configurations:

* eT60 Electric | Dual-cab utility | TZ204XS | 1-speed direct drive | RWD | 130kW/310Nm
