1. MODEL OVERVIEW & AUSTRALIAN MARKET NOTES

The heartbeat of Mercedes-Benz in Australia. From the virtually indestructible W114/W115 and W1

rcharged V8 E55 AMG and twin-turbo 450kW E63 S AMG monsters.

First sold as the 'Stroke 8' (W114/W115) in 1968. The W123 earned iconic status in Australia fo
r racking up millions of kilometers with zero rattles, while the W124 300E and Porsche-assemble
d 500E set luxury performance benchmarks. Australia remains one of AMG's highest market-share t
