Vehicle Type: Sports Sedan / Hatchback | Segment: Rally Performance / Sports Car | Locally Built: No
Assembly Plants (AU):

1. MODEL OVERVIEW & AUSTRALIAN MARKET NOTES

The Mitsubishi Lancer Evolution and Ralliart models represent one of the greatest chapters in m
odern Australian performance car folklore. Born directly from World Rally Championship battles
where Tommi M?kinen claimed four consecutive WRC drivers' titles, the Evo delivered staggering
turbocharged all-wheel-drive grip, Active Yaw Control (AYC), and giant-killing cross-country pa
ce.

Australian enthusiasts first tasted this formula with the 1992-1996 Lancer GSR 4WD (CC). In 200
1, Team Mitsubishi Ralliart officially imported 100 numbered examples of the iconic Evo 6.5 Tom
mi M?kinen Edition (TME). From the Evo VIII in 2004, Mitsubishi Australia officially retailed E
volution models through selected Ralliart dealerships. The story culminated in the high-tech al
uminium 4B11T-powered Evo X and the 226kW Final Edition in 2015.

SERIES / GENERATION: CC GSR (Lancer GSR 4WD (The Pre-Evo Blueprint)) [1992-1996]

Body Styles: 4-door Sedan, 5-door Hatchback | ANCAP: Untested
Pioneered the turbocharged all-wheel-drive rally-replica formula in Australia. Powered by the 1
41kW 1.8L 4G93T DOHC 16-valve intercooled turbo engine with permanent AWD.

Engines Offered in Australia:

- 4G93T: 1.8L (1834cc) Inline-44 (Turbocharged Intercooled (TD04), Petrol) | 141.0 kW / 249.0 Nm

Australian Badges / Trims:

- GSR 4WD: Drivetrain=Full-Time AWD, Trans=5-speed manual, AUD $29990-$33500, Fuel=9.8L/100km

Factory Configurations:

* Lancer GSR 4WD Sedan | 4-door Sedan | 4G93T | 5-speed manual | AWD | 141.0kW/249.0Nm

SERIES / GENERATION: CP9A (Evolution VI & Tommi Makinen Edition (TME)) [1999-2001]

Body Styles: 4-door Sedan | ANCAP: Untested
100 official Australian-delivered TME models imported by Ralliart Australia. 206kW 4G63T with t
itanium turbine wheel, lowered tarmac suspension, and Active Yaw Control.

Engines Offered in Australia:

- 4G63T-TME: 2.0L (1997cc) Inline-44 (Twin-Scroll Turbocharged Intercooled, Premium Unleaded Petrol) |

Australian Badges / Trims:

- Evo 6.5 Tommi Makinen Edition (TME): Drivetrain=AWD with Active Yaw Control, Trans=5-speed close-rati

Factory Configurations:

* Lancer Evolution VI TME | 4-door Sedan | 4G63T-TME | 5-speed manual | AWD | 206.0kW/373.0Nm

SERIES / GENERATION: CT9A (Evolution VIII & IX) [2004-2007]

Body Styles: 4-door Sedan | ANCAP: Untested
First full-scale official Australian dealer distribution. Super Active Yaw Control (S-AYC), Act
ive Centre Differential (ACD), 6-speed manual, and MIVEC variable valve timing in Evo IX.

Engines Offered in Australia:

- 4G63T-MIVEC: 2.0L (1997cc) Inline-44 (Twin-Scroll Turbocharged Intercooled, Premium Unleaded Petrol)

Australian Badges / Trims:

- Evo VIII: Drivetrain=AWD with ACD & Super AYC, Trans=5-speed manual, AUD $61990-$61990, Fuel=10.9L/10
- Evo IX: Drivetrain=AWD with ACD & Super AYC, Trans=6-speed manual, AUD $56789-$65990, Fuel=10.7L/100k

Factory Configurations:

* Lancer Evolution IX 6-speed | 4-door Sedan | 4G63T-MIVEC | 6-speed manual | AWD | 206.0kW/400.0Nm

SERIES / GENERATION: CZ4A (Evolution X & Ralliart) [2008-2015]

Body Styles: 4-door Sedan, 5-door Sportback (Ralliart) | ANCAP: 5 stars

All-aluminium 4B11T turbocharged engine, Super All-Wheel Control (S-AWC), 6-speed Twin Clutch S

ST transmission or 5-speed manual, alongside the accessible Lancer Ralliart AWD.

Engines Offered in Australia:

- 4B11T-Evo: 2.0L (1998cc) Inline-44 (Twin-Scroll Turbocharged Intercooled, Premium Unleaded Petrol) |
- 4B11T-Ralliart: 2.0L (1998cc) Inline-44 (Single-Scroll Turbocharged Intercooled, Premium Unleaded Pet

Australian Badges / Trims:

- Lancer Ralliart: Drivetrain=AWD with ACD & mechanical rear LSD, Trans=6-speed TC-SST dual-clutch, AUD
- Evo X GSR & MR: Drivetrain=S-AWC (Super All-Wheel Control), Trans=5-speed manual, 6-speed TC-SST dual
- Evo X Final Edition: Drivetrain=S-AWC, Trans=5-speed manual, AUD $53700-$53700, Fuel=10.7L/100km

Factory Configurations:

* Lancer Evolution X MR | 4-door Sedan | 4B11T-Evo | 6-speed TC-SST dual-clutch | AWD | 217.0kW/366.0Nm
