1. MODEL OVERVIEW & AUSTRALIAN MARKET NOTES

Born from jets. Saab brought Swedish aircraft engineering, wraparound windscreens, night panels , and turbocharging mastery to Australia across more than three decades. The Classic 900 Turbo established Saab's intellectual cool, followed by the lightning-quick 9-3 Viggen and the 206kW 2.8T Aero V6.

First sold in Australia in 1979 (Classic 900). The 900 Turbo Cabriolet became an icon of Austra lian coastal affluence and design distinction. The 9-3 Viggen?named after the Saab 37 Viggen fi ghter aircraft?became a rare Australian cult vehicle with 169kW through the front wheels.

SERIES / GENERATION: Classic 900 (Saab 900 'Classic' Generation) [1979-1993]
