Subaru WRX (Australia) Specification & Service Reference - Page 1/2

AUSTRALIAN AUTOMOTIVE ARCHIVE - TECHNICAL & SPECIFICATION DOSSIER

Make: Subaru | Model: WRX | Australian Market Years: 1994-Present
Vehicle Type: Sedan / Hatchback / Wagon | Segment: Sports Performance | Locally Built: No
Assembly Plants (AU):

1. MODEL OVERVIEW & AUSTRALIAN MARKET NOTES

The Subaru Impreza WRX and WRX STI democratized supercar-baiting all-wheel-drive turbocharged p
erformance in Australia in 1994. Backed by Possum Bourne's seven consecutive Australian Rally C
hampionships, the WRX is an indelible part of modern Australian car culture.

First imported in February 1994 for just $39,990, the WRX offered all-weather grip and blisteri
ng acceleration that embarrassed European performance sedans costing three times as much. Acros
s five generations, the WRX evolved from an underground rally homologation tool to a sophistica
ted all-wheel-drive sports performance icon.

SERIES / GENERATION: GC8 (WRX 1st Generation) [1994-2000]

Body Styles: 4-door Sedan, 5-door Hatch/Wagon | ANCAP: Untested
The original giant killer. Arrived in February 1994 with a 155kW 2.0L turbo boxer and symmetric
al AWD, sparking an Australian rally and tuning revolution.

Engines Offered in Australia:

- EJ20G: 2.0L (1994cc) Horizontally Opposed Boxer-44 (Turbocharged Intercooled, Petrol) | 155.0 kW / 27

Australian Badges / Trims:

- WRX: Drivetrain=Symmetrical All-Wheel Drive, Trans=5-speed manual, AUD $39990-$44500, Fuel=10.2L/100k
- STI (Version 5/6): Drivetrain=Symmetrical All-Wheel Drive, Trans=5-speed manual, AUD $59990-$62500, F

Factory Configurations:

* WRX Sedan | Sedan | EJ20G | 5-speed manual | AWD | 155.0kW/270.0Nm

SERIES / GENERATION: GD/GG (WRX 2nd Generation (Bugeye / Blobeye / Hawkeye)) [2000-2007]

Body Styles: 4-door Sedan, 5-door Sportswagon | ANCAP: 4 Stars
Stiffer chassis spanning the round-headlight Bugeye (2000), Blobeye (2003), and Hawkeye (2005)
facelifts. Brought the official WRX STI with DCCD all-wheel drive, Brembo brakes, and gold whee
ls.

Engines Offered in Australia:

- EJ205: 2.0L (1994cc) Horizontally Opposed Boxer-44 (Turbocharged Intercooled, Petrol) | 160.0 kW / 29
- EJ257: 2.5L (2457cc) Horizontally Opposed Boxer-44 (Turbocharged Intercooled, Petrol) | 206.0 kW / 39

Australian Badges / Trims:

- WRX STI: Drivetrain=Symmetrical All-Wheel Drive with DCCD, Trans=6-speed close-ratio manual, AUD $551
- WRX: Drivetrain=Symmetrical All-Wheel Drive, Trans=5-speed manual, 4-speed auto, AUD $41990-$46500, F

Factory Configurations:

* WRX STI | Sedan | EJ257 | 6-speed close-ratio manual | AWD with DCCD | 206.0kW/392.0Nm

SERIES / GENERATION: VA (WRX 4th Generation) [2014-2021]

Body Styles: 4-door Sedan | ANCAP: 5 Stars
Introduced the direct-injected twin-scroll 2.0L FA20F turbo engine in WRX, while the raw 221kW
WRX STI retained the hydraulic-steering EJ257 track beast.

Engines Offered in Australia:

Subaru WRX (Australia) Specification & Service Reference - Page 2/2

- FA20F: 2.0L (1998cc) Horizontally Opposed Boxer-44 (Twin-Scroll Turbocharged Intercooled, Petrol) | 1
- EJ257-VA: 2.5L (2457cc) Horizontally Opposed Boxer-44 (Turbocharged Intercooled, Petrol) | 221.0 kW /

Australian Badges / Trims:

- WRX Premium: Drivetrain=Symmetrical AWD with Torque Vectoring, Trans=6-speed manual, Sport Lineartron
- WRX STI Spec.R: Drivetrain=Multi-mode DCCD All-Wheel Drive, Trans=6-speed close-ratio manual, AUD $55

Factory Configurations:

* WRX STI Spec.R | Sedan | EJ257-VA | 6-speed close-ratio manual | Multi-mode DCCD All-Wheel Drive | 22

SERIES / GENERATION: VB (WRX 5th Generation) [2022-Present]

Body Styles: 4-door Sedan, 5-door Sportswagon | ANCAP: 5 Stars

Built on the stiffened Subaru Global Platform, powered by the 2.4L FA24F turbo boxer (202kW/350 Nm), and introducing the WRX Sportswagon.

Engines Offered in Australia:

- FA24F: 2.4L (2387cc) Horizontally Opposed Boxer-44 (Twin-Scroll Turbocharged Intercooled, Petrol) | 2

Australian Badges / Trims:

- RS: Drivetrain=Symmetrical All-Wheel Drive, Trans=6-speed manual, Subaru Performance Transmission (SP
- tS: Drivetrain=Symmetrical All-Wheel Drive, Trans=Subaru Performance Transmission (SPT), AUD $56990-$

Factory Configurations:

* RS Sedan | Sedan | FA24F | 6-speed manual | AWD | 202.0kW/350.0Nm
