1. MODEL OVERVIEW & AUSTRALIAN MARKET NOTES

The Toyota Celica was Australia's definitive Japanese sports coupe for 34 years across seven ge
nerations. From the Mustang-inspired TA22 and RA28 liftbacks of the 1970s to the championship-w
inning turbo all-wheel-drive GT-Four rally homologation specials and high-revving 2ZZ-GE VVTL-i
ZR, the Celica defined stylish sports performance.

Introduced to Australia in 1971 by Thiess Toyota and AMI, the Celica won immense praise for pai
ring affordable coupe styling with bulletproof mechanicals. In motorsport, the Celica ST185 and
ST205 GT-Four dominated the Australian Rally Championship with Neal Bates and Coral Taylor, se
curing four ARC national titles in 1993, 1994, 1995, and 2008.
