Assembly Plants (AU):

1. MODEL OVERVIEW & AUSTRALIAN MARKET NOTES

Volkswagen’s premium compact hatchback in Australia. Across four generations from the 6N to the modern MQB AW, the Polo brought big-car refinement, solid German safety, and pocket-rocket performance through the beloved Polo GTI.

First officially imported to Australia in 1996 with the 6N generation. The Polo GTI arrived in 2005 (9N3 1.8 20V Turbo), creating a loyal cult following among Australian driving enthusiasts that grew stronger through the twincharged 6R and 2.0-litre AW models.

SERIES / GENERATION: 6N (Polo Third Generation (Typ 6N/6N2)) [1996-2002]

Body Styles: 3-door hatchback, 5-door hatchback | ANCAP: Unrated (Pre-ANCAP)
Introduced the Polo nameplate to Australia in 1996. Features included galvanized steel body panels, dual airbags, 1.6L 8V engine, and the distinctive Open Air sliding fabric roof.

Engines Offered in Australia:

- AEE: 1.6L (1598cc) Inline-44 (Naturally Aspirated, Petrol) | 55 kW / 135 Nm

Australian Badges / Trims:

- Polo 1.6 / Open Air: Drivetrain=FWD, Trans=5-speed manual, 4-speed automatic, AUD $17990-$22990, Fuel

Factory Configurations:

* Polo 1.6 / Open Air | 5-door hatchback | AEE | 5-speed manual | FWD | 55kW/135Nm

SERIES / GENERATION: 9N (Polo Fourth Generation (Typ 9N/9N3)) [2002-2010]

Body Styles: 3-door hatchback, 5-door hatchback | ANCAP: 4 stars
Recognizable by its distinctive twin round headlights (facelifted in 2005 to 9N3 single units). Spawned the first Australian Polo GTI in 2005, powered by the 110kW 1.8L 20V turbo.

Engines Offered in Australia:

- BJX: 1.8L (1781cc) Inline-44 (Turbocharged, Petrol) | 110 kW / 220 Nm

Australian Badges / Trims:

- Polo GTI: Drivetrain=FWD, Trans=5-speed manual, AUD $26990-$28990, Fuel=7.8L/100km

Factory Configurations:

* Polo GTI | 3-door hatchback | BJX | 5-speed manual | FWD | 110kW/220Nm

SERIES / GENERATION: 6R/6C (Polo Fifth Generation (Typ 6R/6C)) [2010-2018]

Body Styles: 3-door hatchback, 5-door hatchback | ANCAP: 5 stars
Won 2010 World Car of the Year. Featured 77TSI turbo petrol engines and the GTI with 1.4 TSI twincharged (supercharged and turbocharged, 132kW), followed in the 6C facelift by the 1.8 TSI (141kW) with manual and 7-speed DSG options.

Engines Offered in Australia:

- CAVE/CTHE: 1.4L (1390cc) Inline-44 (Twincharged (Supercharged & Turbocharged), Petrol) | 132 kW / 250
- DAJA: 1.8L (1798cc) Inline-44 (Turbocharged, Petrol) | 141 kW / 320 Nm

Australian Badges / Trims:

- 77TSI Comfortline: Drivetrain=FWD, Trans=6-speed manual, 7-speed DSG, AUD $19870-$22370, Fuel=5.5L/10

- Polo GTI: Drivetrain=FWD, Trans=6-speed manual, 7-speed DSG, AUD $27490-$31990, Fuel=6.1L/100km

Factory Configurations:

* Polo GTI | 5-door hatchback | DAJA | 6-speed manual | FWD | 141kW/320Nm

SERIES / GENERATION: AW (Polo Sixth Generation (Typ AW)) [2018-Present]

Body Styles: 5-door hatchback | ANCAP: 5 stars

Built on the MQB A0 platform, offering Golf-sized interior room, 351-litre boot, Digital Cockpi
t, and the Polo GTI armed with a full 2.0-litre EA888 turbo engine producing 147kW/152kW.

Engines Offered in Australia:

- DKZC: 2.0L (1984cc) Inline-44 (Turbocharged, Petrol) | 147 kW / 320 Nm

Australian Badges / Trims:

- 85TSI Style: Drivetrain=FWD, Trans=7-speed DSG, AUD $25990-$31490, Fuel=5.4L/100km
- Polo GTI: Drivetrain=FWD, Trans=6-speed DSG, 7-speed DSG, AUD $31990-$40390, Fuel=6.5L/100km

Factory Configurations:

* Polo GTI | 5-door hatchback | DKZC | 6-speed DSG | FWD | 147kW/320Nm
